This is just a beginning, yet we have to achieve a lot.

During my almost three-year interaction with parents at the school I have found you all a very Enlightened group who take their parenting role very sincerely.

we are aware of the great faith you have reposed in us and it will be our constant endeavour to live up to your expectations.

Thank you very much for all the understanding and support we have been receiving from you all at the school.

I would like to place in record of my most sincere thanks to the management of Chinmaya Vidyalaya for the trust and excellent support you have been giving me towards the development and growth of the school.

I am confident that NV Chinmay Vidyalaya will be the school of choice for all the parents of Shegaon and Khamgaon.

My report on the school would be incomplete if I did not make mention of our wonderful team of teacher who work with dedication and put in their all-out effort for the betterment of students .

We have 51 qualified and experienced a teacher who always try to give their best.

at times I feel that I make too many demands on my teachers, but they have always responded very positively.

I would like to take this opportunity to convey my most sincere thanks to our Management of N V Chinmaya Vidyalaya and entire teaching and office staff for their unflicking support and cooperation and for making things happen very efficiently and smoothly at the school.

At the end I would like to thank you all for being with me for so long thank you.
